To whom it may concern:

I consider it a privilege to recommend Abby Stephens to you as a professional speaker for young adults and children. I have never met a woman (or family) of higher character and accomplishment than Abby and her family. She really connected powerfully with our students at North Davis Junior High when she spoke to them in the spring of 2014. North Davis is a Title I school with a high rate of ethnic diversity and our students related with her down-to-earth approach and were fascinated by her experiences. They were motivated by her story and they were touched by her message. Her assembly was a very positive experience.

Abby has a gentle but direct way that she approaches her audience. She was well prepared, entertaining, and engaging. We will certainly have her back at North Davis Junior High School and I highly recommend Abby Stephens as a speaker for your school. She's awesome!
